District 1 Update: August 2023

Residents and Homeowner Associations are encouraged to share these updates within their communities. I welcome your comments and questions.

Warehousing Planned for Lightfoot Rd

In my August newsletter on the proposed warehouse at Lightfoot Rd. and Rochambeau Dr. I shared that I had appealed the decision to zone this warehouse as a “by right” development. I object to a warehouse of 2.3M sq ft being located along Lightfoot Rd, with an estimated 8,000 vehicles entering/exiting daily. I have requested that the property have a private road entrance directly off Mooretown Rd.

In parallel, Mr. Zaremba has engaged the County attorney, highlighting that the basis for the Zoning Administrator’s decision was in error, and in fact contravened the requirements of the Zoning Ordinance.

We are awaiting word from County staff on both requests.

I have appealed this decision to the Zoning Appeal Board and will keep you updated.

1. I am committed to bringing responsible development to the Upper County.
2. I am committed to delivering Real Transparent and Open Government.

The citizens of York County deserve a County government that also supports these commitments.
